Godfrey briefed the Director on the preliminary damage analysis of the aircraft strikes against Phuc Yen and the Doumer Bridge.

Godfrey reported on the response made to a request last night from Ramsey Clark for analysis of Communist involvement in the demonstrations outside the United States mounted in connection with the 20-21 October march on the Pentagon.

Godfrey noted the receipt of two more reports suggesting the possibility of a military takeover of the Peruvian government.

In response to a question from Kent, the Director proposed to finish with NIE 11-8 before addressing himself to the Vietnamese Force-Strength Estimate. In connection with NIE 11-8, the Director asked that the question of projected Soviet ICBM strength be discussed first at USIB this morning.

DD/S briefed the Director on campus demonstrations involving Agency recruiters. The Director said to follow our normal recruitment activity.

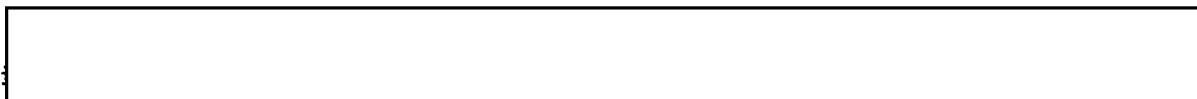

Godfrey reported on an interdepartmental briefing given to the Vice President yesterday in connection with his trip to Southeast Asia.

Houston briefed the Director on discussions with Justice concerning the status of wiretap bills on the Hill.

DD/S&T noted that today is most likely for the upcoming Soviet space spectacular. There is an outside chance that this will be a manned circumlunar attempt, but he personally considers that a dog is the more likely occupant.
